NOTICE IS HEREBY GIVEN THAT the annual meeting of the shareholders (the “Meeting”) of Midland Exploration Inc. (the “Corporation”) will be held in virtual format, at 10:00 a.m. (Eastern Standard Time) on Thursday, February 11, 2021 (the “Meeting Date”), for the following purposes:

1. to receive the 2020 Annual Report of the Corporation, containing the financial statements of the Corporation for the year ended September 30, 2020 and the report of the auditors thereon;
2. to elect the directors for the ensuing year;
3. to appoint the auditors of the Corporation for the ensuing year and authorize the directors to fix their remuneration; and
4. to transact such other business as may properly come before the Meeting or any adjournment thereof.

The management proxy circular of the Corporation (the “**Circular**”) enclosed herein provides detailed information on the items that will be brought before the Meeting and is therefore to be considered as forming a part of this notice.

The Corporation has elected to use the notice and access model (the “**Notice and Access**”) for the delivery of the Circular and the Corporation’s management’s discussion and analysis and financial statements for the fiscal year ended September 30, 2020 (collectively, the “**Meeting Materials**”) to its shareholders.

Under Notice and Access, instead of receiving printed copies of the Meeting Materials, shareholders are receiving this notice with information on how they may access such Meeting Materials electronically. However, together with this notice, shareholders continue to receive a proxy (in the case of registered shareholders) or a voting instruction form (in the case of non-registered shareholders), enabling them to vote at the Meeting. The Corporation has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Accessing Meeting Materials Online

The Meeting Materials can be accessed online on the Corporation’s SEDAR profile at www.sedar.com or on the Corporation’s website at www.midlandexploration.com.

Requesting Printed Meeting Materials

Shareholders can request that printed copies of the Meeting Materials be sent to them by postal delivery at no cost to them up to one year from the date the Circular was filed on SEDAR. Registered shareholders may make their request by calling the Corporation's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), at 1-866-962-0498 (within North America) and at 514-982-8716 (outside North America) up to the Meeting Date and at 438-384-7659 after the Meeting Date. Non-registered shareholders may make their request by telephone at 1-877-907-7643 by entering the control number located on the voting instruction form and following the instructions provided.

To receive the Meeting Materials in advance of the proxy deposit date and Meeting Date, shareholders' requests for printed copies must be received by February 2, 2021 to ensure timely receipt within three business days of the request.

PROXY VOTING

Who is soliciting my proxy?

The enclosed form of proxy is being solicited by the management of the Corporation in connection with the annual meeting of shareholders (the “**Meeting**”) to be held on February 11, 2021 (the “**Meeting Date**”) and at every adjournment thereof, and the associated costs will be borne by the Corporation. The solicitation of proxies will be primarily by mail, but may be by telephone or other personal contact by directors of the Corporation, such directors receiving no compensation therefore. In addition, the Corporation shall, upon request, reimburse brokerage firms and other custodians for their reasonable expenses in forwarding proxies and related material to beneficial owners of shares of the Corporation.

How do I vote?

If you are a registered shareholder, you may vote at the Meeting or you may sign the enclosed form of proxy appointing the named persons or some other person you choose, who need not to be a shareholder, to represent you as proxyholder and vote your shares at the Meeting. Holders of shares may also exercise their voting rights (i) by calling the toll-free number 1-866-732-8683 or any other number indicated on the proxy form or the voting instruction form or (ii) by going to the following website: www.investorvote.com. If your shares are held in the name of an intermediary, please see the box on page 6 for voting instructions.

What if I plan to attend the virtual Meeting and vote at the Meeting?

If you are a registered shareholder and plan to attend the Meeting on February 11, 2021 and wish to vote your shares at the Meeting, do not complete or return the form of proxy. Your vote will be taken and counted at the Meeting. Please register with the transfer agent, Computershare, upon arrival at the Meeting. If your shares are held in the name of an intermediary, please see the box on page 5 for voting instructions.

What am I voting on?

The shareholders will be called upon to vote on the following matters:

1. the election of directors to the board of directors of the Corporation for the ensuing year;
2. the appointment of the auditors of the Corporation for the ensuing year and the authorization given to the board of directors to establish their compensation; and
3. any other business as may properly be brought before the Meeting or any adjournment thereof.

For more information, please refer to the heading “**Agenda of Shareholders Meeting**”.

Other than as specifically discussed under the heading “**Agenda for Shareholders Meeting**”, no director, executive officer or proposed nominees for directorship, or any associate or affiliate of such persons has any interest, direct or indirect, by way of beneficial ownership of shares or otherwise, in any matter to be acted upon at the Meeting, except that such persons may be directly involved in the normal business of the Meeting or the general affairs of the Corporation.

What if I sign the form of proxy enclosed with this Management Proxy Circular?

Signing the enclosed form of proxy gives authority to Jean-Pierre Janson or Gino Roger, each of whom is a director of the Corporation, or to another person you have appointed, to vote your shares at the Meeting.

Can I appoint someone other than these directors to vote my shares?

Yes. Write the name of this person, who need not be a shareholder, in the blank space provided in the form of proxy. It is important to ensure that any other person you appoint is attending the Meeting and is aware that he or she has been appointed to vote your shares. Proxyholders should, upon arrival at the Meeting, present themselves to a representative of Computershare.

What do I do with my completed proxy?

Return it to the Corporation’s transfer agent, Computershare, to the attention of the Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax at no charge to 1-866-249-7775 (within North America) or 416-263-9524 (outside North America), **no later than 5:00 p.m. (Eastern Standard Time) on Tuesday, February 9, 2021**. This will ensure that your vote is recorded.

If I change my mind, can I take back my proxy once I have given it?

Yes. If you change your mind and wish to revoke your proxy, prepare a written statement to this effect. The statement must be signed by you or your attorney as authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney of the corporation duly authorized. This statement must be delivered at the above-mentioned registered office of Computershare, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, and upon either of such deposits the proxy is revoked.

How will my shares be voted if I give my proxy?

The persons named on the form of proxy must vote or withhold from voting your shares, or must vote for or against the matters on the agenda, in accordance with your directions, or you can let your proxyholder decide for you. **Where shareholders have not specified in the form of proxy the manner in which the designated proxyholders are required to vote the shares represented thereby as to any matter to be voted on, such shares will be voted, on any ballot that may be called, FOR or IN FAVOUR of such matter.** Please refer to the heading “**Agenda for Shareholders Meeting**”.

What if amendments are made to these matters or if other matters are brought before the Meeting?

The persons named in the form of proxy will have discretionary authority with respect to amendments or variations to matters identified in the enclosed form of proxy and with respect to other matters which may properly come before the Meeting. As of the time of printing of this Management Proxy Circular, management of the Corporation knows of no such amendment, variation or other matter expected to come before the Meeting. If any other matters properly come before the Meeting, the persons named in the form of proxy will vote on them in accordance with their best judgment.

What if ownership of shares has been transferred after December 29, 2020?

The person who acquired such shares after December 29, 2020, must produce properly endorsed share certificates or otherwise establish that he or she owns the shares and must ask the Corporation no later than 5:00 p.m. (Eastern Standard Time) on Tuesday, February 2, 2021 that his or her name be included in the list of shareholders before the Meeting in order to be entitled to vote these shares at the Meeting.

What is Notice and Access?

The Corporation has elected to use the notice and access model (“**Notice and Access**”) adopted by the Canadian Securities Administrators for the delivery of meeting materials to its shareholders for the Meeting, namely the Management Proxy Circular, Corporation’s financial statements and management’s discussion and analysis for the year ended September 30, 2020 (collectively, the “**Meeting Materials**”). The Corporation has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Under Notice and Access, instead of receiving printed copies of the Meeting Materials, shareholders receive a notice of meeting (the “**Notice**”) with information on the date, location and purpose of the Meeting, as well as information on how they may access the Meeting Materials electronically.

Shareholders with existing instructions on their account to receive printed materials and those shareholders with addresses outside of Canada and the United States will receive a printed copy of the Meeting Materials with the Notice.

The Corporation urges shareholders to review this Management Proxy Circular before voting.

Accessing Meeting Materials Online

The Meeting Materials can be accessed online on the Corporation’s SEDAR profile at www.sedar.com or the Corporation’s website at www.midlandexploration.com.

Requesting Printed Meeting Materials

Shareholders can request that printed copies of the Meeting Materials be sent to them by postal delivery at no cost to them up to one year from the date the Management Proxy Circular was filed on SEDAR. Registered shareholders may make their request by calling Computershare at 1-866-962-0498 (within North America) and at 514-982-8716 (outside North America) up to the Meeting Date and at 438-384-7659 after the Meeting Date. Non-registered shareholders may make their request by telephone at 1-877-907-7643 by entering the control number located on the voting instruction form and following the instructions provided.

To receive the Meeting Materials in advance of the proxy deposit date and Meeting Date, shareholders’ requests for printed copies must be received by February 2, 2021 to ensure timely receipt within three business days of the request.

Stratification

The Corporation has determined that those registered and beneficial shareholders with existing instructions on their account to receive printed materials and those registered and beneficial shareholders with addresses outside of Canada and the United States will receive a printed copy of the Meeting Materials with this notice.

Who counts the votes?

The Corporation’s transfer agent, Computershare, counts and tabulates the proxies. This is done independently of the Corporation to preserve the confidentiality of individual shareholder votes. Proxies are referred to the Corporation only in cases where a shareholder clearly intends to communicate with management or when it is necessary to do so to meet the requirements of applicable law.

If my shares are not registered in my name but are held in the name of an intermediary (a bank, trust company, securities broker, trustee or other), how do I vote my shares?

These beneficial owners of common shares of the Corporation (the “**Beneficial Owners**”) must be aware of the fact that only proxies filed by shareholders whose names appear in the Corporation’s book as registered holders of common shares may be recognized and may benefit from the right to vote at the Meeting. The voting rights attached to the common shares of the Corporation held by an intermediary may be exercised by the intermediary, on behalf of the Beneficial Owner, only according to the Beneficial Owner’s specific instructions, which must be obtained before the Meeting. Each Intermediary has its own rules concerning the mailing and forwarding of voting instruction forms, notices of meeting, proxy circulars as well as all other documents sent to shareholders for a meeting. The Intermediary is prohibited from exercising the voting rights attached to the common shares of its clients without specific voting instructions.

In accordance with the requirements of *Regulation 54-101 respecting Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators, the Corporation has elected to send the Notice, this Management Proxy Circular and the form of proxy directly to the non-objecting Beneficial Owners (the “**NOBOs**”). The intermediaries are responsible for forwarding these documents to each NOBO who has objected to his intermediary disclosing ownership information about himself (the “**OBO**”), unless that OBO has waived the right to receive them.

There are two ways you can vote your shares held by your intermediary. As required by Canadian securities legislation, you will have received from your intermediary either a request for voting instructions or a form of proxy for the number of shares you hold. For your shares to be voted for you, please follow the voting instructions provided by your intermediary. Since the Corporation has limited access to the names of its Beneficial Owners, if you attend the Meeting, the Corporation may have no record of your shareholdings or your entitlement to vote unless your intermediary has appointed you as proxyholder. Therefore, if you wish to vote at the Meeting, insert your own name in the space provided on the request for voting instructions or form of proxy and return same by following the instructions provided. You can also write the name in the space provided thereof of someone else whom you wish to attend the Meeting and vote on your behalf. In this case, do not otherwise complete the form as your vote will be taken at the Meeting. Please register with the transfer agent, Computershare, upon arrival at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

As of December 29, 2020 (the “**Record Date**”), there are 71,885,243 common shares of the Corporation (the “**Common Shares**”) issued and outstanding, each of which is entitled to one vote at the Meeting. Only shareholders registered at the close of business on the Record Date are entitled to receive notice of and to vote at the Meeting unless after that date a shareholder of record transfers his Common Shares and the transferee, upon producing properly endorsed certificates evidencing such Common Shares or otherwise establishing that he owns the Common Shares, requests no later than 10 days before the Meeting that the transferee’s name be included on the list of shareholders entitled to vote, in which case such transferee is entitled to vote such Common Shares at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, as at the Record Date, the following person beneficially owns, or controls or directs, directly or indirectly, voting securities carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation:

Shareholder Name	Number of Common Shares	Percentage of Issued and Outstanding Common Shares
Caisse de dépôt et placement du Québec	9,401,217	13.1%

AGENDA FOR SHAREHOLDERS MEETING

1. Election of Directors

Pursuant to the Corporation’s articles and resolutions of its board of directors (the “**Board of Directors**”), the business of the Corporation is managed by a board of directors consisting of six directors. Consequently, the shareholders will be called upon to elect six directors to serve, subject to the power of the Board of Directors to appoint additional directors between annual meetings, until the next annual meeting of shareholders or until their respective successors are duly elected or appointed, unless their respective office is earlier vacated in accordance with the By-laws of the Corporation. At the Meeting, the persons named hereunder will be proposed for election as directors of the Corporation. You can vote for all of these proposed directors, vote for some of them and withhold for others, or withhold for all of them. **Unless such authority is withheld, the persons designated in the enclosed form of proxy will vote FOR the election of each of the persons named hereunder as directors of the Corporation.**

This proposal requires the approval of a majority of the votes cast by the holders of Common Shares entitled to vote in person or represented by proxy at the Meeting. Management does not contemplate that any nominee will be unable or unwilling to serve as a director.

Each nominee as director supplied the information concerning the number of Common Shares over which he exercises control or direction.

All of the proposed nominees were elected to their present term of office by the shareholders of the Corporation at a meeting in respect of which the Corporation circulated to shareholders a management proxy circular.

Except as described below, to the best of the Corporation's knowledge, after having made due inquiry, the Corporation confirms that no proposed director of the Corporation:

- (a) is, as at the date hereof, or has been, within the 10 years before the date hereof, a director, chief executive officer or chief financial officer of any company, including the Corporation, that while that person was acting in that capacity:
 - (i) was subject of a cease trade or similar order or an order that denied the company access to any exemption under securities legislation, for a period of more than 30 consecutive days;
 - (ii) was subject to an event that resulted, after the proposed director ceased to be a director, chief executive officer or chief financial officer, in the company being the subject of a cease trade or similar order or an order that denied the company access to any exemption under securities legislation, for a period of more than 30 consecutive days;
- (b) is, as at the date hereof, or has been, within the 10 years before the date hereof, a director or executive officer of any company, including the Corporation, that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets;
- (c) has, within the 10 years before the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director; and
- (d) has, within the 10 years before the date hereof, been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, nor has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in deciding whether to vote for a proposed director.

Mr. René Branchaud has been a director of Malaga Inc. ("**Malaga**") since 1997. In June 2013, Malaga filed a notice of intention to make a proposal pursuant to the provisions of Part III of the *Bankruptcy and Insolvency Act* (Canada). Pursuant to the notice of intention, Raymond Chabot Inc. has been appointed as the trustee in Malaga's proposal proceedings and in that capacity is monitoring and assisting Malaga in its restructuring efforts. These proceedings have the effect of imposing an automatic stay of proceedings that will protect Malaga and its assets from the claims of creditors and others while Malaga pursues its restructuring efforts. Malaga submitted a proposal dated October 4, 2013 to its creditors; such proposal was accepted by the creditors pursuant to a vote held on December 13, 2013 and approved by judgment of the Superior Court rendered on January 7, 2014.

2. Appointment of auditors

Shareholders are asked to vote for the appointment of PricewaterhouseCoopers, LLP, Chartered Professional Accountants (“**PwC**”) as auditors of the Corporation for the current financial year to hold office until the next annual meeting of shareholders of the Corporation and to authorize the directors to establish the auditors’ compensation. PwC were initially appointed in 2005.

This proposal requires the approval of a majority of the votes cast by the holders of Common Shares present or represented by proxy, at the Meeting.

Unless such authority is withheld, the persons designated in the enclosed form of proxy will vote FOR the re-appointment of PricewaterhouseCoopers, LLP, as auditors of the Corporation, for the current financial year and the authorization to the directors to establish the auditors’ compensation.

Oversight and Description of Director and Named Executive Officer Compensation

Executive Officers

The Compensation and Governance Committee of the Corporation has the responsibility to recommend to the Board of Directors of the Corporation the compensation policy of the executive officers in order to make sure it is consistent with the Corporation's business plan, strategies and objectives. This Committee has, namely, the responsibility to analyse for the Board of Directors all questions relating to human resources planning, compensation for executive officers, directors and other employees, short and long term incentive programs, employee benefits programs, and recommends the appointment of executive officers. The Committee held two meetings during the financial year ended September 30, 2020.

As at September 30, 2020, the Compensation and Governance Committee of the Corporation is comprised of three members, namely Jean-Pierre Janson (chairman of the Committee), Paul Archer and Germain Carrière, the latter two being independent. The Corporation considers that the public company board membership and management experience of the members of the Compensation and Governance Committee provides the members with appropriate experience

and skills relevant to the responsibilities and ability to make decisions on the suitability of the Corporation's compensation policy and practices.

The compensation paid to executive officers has the following primary objectives:

- offer total compensation capable of attracting and retaining top level executive officers required to ensure the Corporation's short and long term goals and success; and
- motivate the executive officers in achieving and exceeding the goals of the Corporation and of its shareholders.

Compensation and Risk Management

Considering the size of the Corporation, the Compensation and Governance Committee and the Board of Directors have considered the implications of the risks associated with the Corporation's compensation policy and practices and decided they are not material.

No executive officer or director of the Corporation is permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the executive officers or directors.

Market Comparator and Positioning

The compensation is established in such a way to compensate the executive officers and other key employees considering the Corporation's objectives and performance. For the year ended September 30, 2020, the Committee retained an independent firm, Perrault Consulting, to prepare comparative market data and provide recommendations to the Committee. One of the objectives of the independent firm's mandate is to keep talent mobilized.

For the year ended September 30, 2020, the Committee determined the base salary paid to senior executives based on these recommendations. The market analysis included the following public companies (the "**Market Comparators**") evolving in the mining industry, with data available at the time of the analysis:

Corporations	Size of Market Cap	Head office in Québec
Aurion Resources Inc.	\$150,000,000 - <\$200,000,000	No
Bonterra Resources Inc.	\$200,000,000 - <\$250,000,000	No
Eastmain Resources Inc.	\$25,000,000 - <\$50,000,000	No
EMX Royalty Corp.	\$150 000,000 - <\$200,000,000	No
Exploration Azimuth Inc.	\$20,000,000 - <\$50,000,000	Yes
Mirasol Resources Inc.	\$25,000,000 - <\$50,000,000	No
Probe Metals Inc..	\$100,000,000 - <\$150,000,000	No
Ressources Cartier Inc.	\$25,000,000 - <\$50,000,000	Yes
Strategic Metals Ltd.	\$25,000,000 - <\$50,000,000	No

Market Comparators have been selected considering criteria such as assets, annual revenue, comparable activities and publicly-traded.

Components of the Compensation Policy

The compensation policy consists of the sum of

- base salary;
- annual incentive (bonus) compensation;
- long term incentive compensation; and
- benefits and perquisites.

Each of these elements, together with the Corporation's philosophy with respect to same, is hereinafter detailed.

Base Salary

The Corporation's base salary policy is to pay base salaries for executive officers that are equivalent of the Market Comparators. The salaries of the executive officers are reviewed and recommended for approval to the Board of Directors yearly by the Compensation and Governance Committee considering the individual performance and the Market Comparators. The base salary of the Chief Executive Officer stands at the second quartile of the Market Comparators while the base salary of the Vice-President, Exploration stands at the fourth quartile of the Market Comparators available. The Chief Financial Officer is a consultant of the Corporation.

Annual Incentive Compensation

The Corporation offers executive officers of the Corporation the possibility to earn an annual bonus provided the Corporation achieves or exceeds its annual objectives and provided the executive officer or employee achieves specific personal objectives.

The executive officers' bonus will be calculated based on the individual performance. The Compensation and Governance Committee may, from time to time, exercise its discretion to allow that the annual incentive compensation be varied on the overall performance of the Corporation and exceptional market conditions. The Compensation and Governance Committee also reserves the right to recommend to the Board of Directors to waive minimum requirements for the annual incentive compensation when exceptional strategic achievements that could increase the non-current value of the Corporation are realized during the year.

For the fiscal year ended September 30, 2020, the annual incentive compensation was based on known corporate or individual performance objectives and, in determining the annual incentive compensation, the Compensation and Governance Committee has primarily considered the execution of a strategic alliance with a major mining company, the exploration work conducted on the Corporation's properties, the acquisition of additional properties and the conclusion of four option and joint venture agreements with major partners.

Long Term Incentive Compensation

The establishment of a balance between short and long term compensation is essential for the Corporation's performance. For this reason, the Corporation has adopted the Stock Option Plan in 2005 (as subsequently amended) allowing the grant of options to officers, directors, key employees and consultants of the Corporation. Reference is made to the description of such plan under the heading "**Stock Option Plan**" hereinabove.

In general, the Compensation and Governance Committee determines the number of options granted annually according to the level of responsibility and authority of each of the executive officers. The total amount of stock options issued over the past years is looked at but does not have a material impact on the number of options to be granted to the executive officers. The options are granted at market value at time of grant and may be exercised over ten years.

The purpose of the Stock Option Plan is to serve as an incentive for the directors, officers and consultants who will be motivated by the Corporation's success as well as to promote ownership of Common Shares by these people. There is no performance indicator relating to profitability or risk attached to the Stock Option Plan.

The long term incentive compensation is not based on known or measured corporate or individual performance objectives but is determined in a view to improve the executive officers' salaries and to encourage the work of these persons towards an increase of shareholders value.

The Compensation and Governance Committee is responsible for the revision and recommendation to the Board of Directors of any required modifications to the Stock Option Plan.

Benefits and Perquisites

The Corporation's President and Chief Executive Officers benefits of monthly allowances for the purposes in particular, of personal insurance and car expenses. Such benefits and perquisites are designed to be competitive with the Market Comparators.

General

The compensation seeks to primary reward the superior performance through both individual and corporate results and the increased shareholder value. In reviewing executive officers compensation, the Compensation and Governance Committee will take into consideration numerous factors that are not easily measurable but which consider the individual performance, experience, integrity, peer appreciation and Market Comparators.

Directors

In general, the Board of Directors determines, upon recommendations of the Compensation and Governance Committee, the number of options granted annually to the directors without applying any known or measurable objectives. Criteria such as the Corporation's global performance are looked at in determining the number of options to be granted to the directors.

In 2019, the Compensation and Governance Committee retained the services of an independent firm, Perrault Consulting, to prepare comparative market data and provide recommendations to the Committee. As recommended by Perrault Consulting, the Board of Directors has decided to cease paying meeting fees and to adjust the amount of the annual retainer accordingly. Starting on January 1, 2020, each director and each member of a committee of the Board of Directors who is not an officer of the Corporation has received payment of an annual retainer of \$20,000. The Chairman of the Board, which is not otherwise officer of the Corporation, has received payment of an annual retainer of \$7,000. The Chairman of the Audit Committee has received payment of an annual retainer of \$3,000. The Chairman of the Technical Committee, which is not otherwise officer of the Corporation, has received payment of an annual retainer of \$3,000.

Pension Plan Benefits

The Corporation does not offer any pension plan that benefits to any of its Named Executive Officers, nor to the directors of the Corporation.

SCHEDULE B

CORPORATE GOVERNANCE

MIDLAND EXPLORATION INC. (the “Corporation”)

The board of directors has carefully reviewed the corporate governance guidelines of Policy Statement 58-201 *to Corporate Governance Guidelines. Regulation 58-101 respecting Disclosure of Corporate Governance Practices* (“**Regulation 58-101**”) of the Canadian Securities Administrators requires the Corporation to annually disclose certain information regarding its corporate governance practices. Those practices are as follows.

Board of Directors

The board delegates to management the responsibility for the development of these strategies and holds itself responsible for the approval of the strategies finally adopted. In addition to those matters which must by law be approved by the board, management is required to seek board approval for significant acquisitions, divestitures and capital expenditures. Other matters of strategic importance to the Corporation or which impact significantly on the operations of the Corporation are brought to the board’s attention for its input, consideration and approval.

The board oversees the identification of the principal risks of the Corporation’s business and the implementation by management of appropriate systems to manage such risks. The board reviews from time to time organizational matters such as succession planning. Given current management’s tenure, their vast experience and low turnover, succession planning is not seen as critical at the present time by the board.

The following directors are “independent” pursuant to Regulation 58-101 in that they are free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director’s ability to act with the best interests of the Corporation, other than interests and relationships arising from shareholding: Paul Archer, René Branchaud, Germain Carrière and Robert I. Valliant.

Gino Roger, President and Chief Executive Officer of the Corporation and Jean-Pierre Janson, chairman of the Board of directors, are not an independent directors of the Corporation since they are officers of the Corporation.

The independent directors hold meetings occasionally without the attendance of the not independent directors and the executive officers.

Directorships

The following directors of the Corporation are presently directors of other reporting issuers, as follows:

Director	Reporting Issuers
René Branchaud	Genius Metals Inc.
Jean-Pierre Janson	BTB Real Estate Investment Trust, Tri Origin Exploration Ltd. and Harfang Exploration Inc.
Robert I. Valliant	Tri Origin Exploration Ltd. and International Prospect Ventures Ltd.

Orientation and Continuing Education

The board of directors of the Corporation takes the following steps to ensure that all new directors receive orientation regarding the role of the board, its committees and its directors, and the nature and operation of the Corporation.

Reports and other documentation relating to the Corporation's business and affairs are provided to new directors.

Orientation and education of directors is an ongoing matter. As such, ongoing informal discussions between management and members of the board are encouraged and visits to the Corporation's operations are organized.

Ethical Business Conduct

The Corporation is committed to promote the highest standard of ethic and integrity in the pursuance of all of its activities.

Furthermore, the directors, officers and employees of the Corporation are expected to act and to hold their office within the best interests of the Corporation. The Corporation expects that all directors shall act in compliance of all laws and regulations applicable to their office as director of the Corporation.

In the event any transactions or agreements occur in respect of which a director or executive officer has a material interest, the matter must be initially reviewed by the Audit Committee and is then submitted to the board of directors. The board may implement any measures that it finds necessary in order to ensure the exercise of independent judgment. In the event a director has a material interest in any transaction or agreement, such director will abstain from voting in that regard.

Nomination of Directors

The board of directors of the Corporation does not feel it is necessary to increase the number of directors on the board at this time.

The Chairman of the board and President of the Corporation seeks qualified candidates to be considered for nomination as directors. Proposed nominations are subject to review and approval by the board.

Any new appointees or nominees to the board of directors must have a favourable track record in general business management, special expertise in areas of strategic interest to the Corporation, the ability to devote the time required and a willingness to serve as a director.

Compensation

On an annual basis, the Compensation and Governance Committee evaluates the adequacy of compensation of the directors and executive officers. After sufficient review and analysis, the Compensation and Governance Committee recommends the remuneration of the directors and executive officers to the board for approval.

Other Board Committees

In addition to the Audit Committee and the Compensation and Governance Committee, the board has created a Technical Committee, which is composed of Paul Archer, Gino Roger and Robert Valliant.

The Compensation and Governance Committee has the mandate to monitor the implementation and management of such actions or measures, or of corporate policies and guidelines adopted by regulatory authorities or the board. It is also responsible for establishing practices which must be followed and should be in line with corporate governance rules and guidelines in effect from time to time by relevant authorities. The committee is also responsible for recommending to the board in the assessment of the performance of senior officers, of the board and its committees and of individual directors.

Assessments

The board of directors of the Corporation has not established any formal procedures for assessing the performance of the board or its committees and members. Generally, those responsibilities have been carried out on an informal basis by the Compensation and Governance Committee.
